

WOCC Poster Submission Guidelines

Firstly, thank you for submitting a poster to this conference!

Below are the steps:

1. Register an EDAS account at <https://edas.info/> if you did not previously have one. Please note that you need to complete your profile before moving on to the next step.
2. Log in and visit <https://edas.info/N34544>.
3. Click “**Poster Presentation Session**”
4. Fill the paper title, keywords, etc (make sure that it meets the minimum requirements stated and that it does not turn red) and click “**Register paper**”
5. Find the small button at the left bottom under “**Review manuscript**” and upload your poster. Make sure it reaches the requirements that are stated on the website!
6. Good luck!
